Getting started

Bank Account

- If you haven't registered in a city yet
  - You can use address of Physics Buliding
  - Talk to Petra about this though!
- There are also banks that don't need an address, like "Tomorrow digital bank", which only need a valid visa

Residence permit Hürth

1. You will need to block the same amount (11000 €) to extend for a visa after a year
2. Alternatively sometimes a work-contract will work, if it pays enough
   - >934€ per month
   - This is a rare case though, so don't rely on this
3. A minijob and 5000€ in a blocked account
   - Again: rare case

Keep this in mind and if need be start saving from the beginning.
